From the Rabbi...

**Tisha B'Av –
Destruction and Renewal
Modern Renewal Zoom Style**

Tisha B'Av, which occurs on July 30th this year, is a day of mourning that commemorates the destruction of both temples in Jerusalem, once by the Babylonians in 586 BCE, and then by the Romans in 70 CE. While the Temples stood, Jews would make pilgrimages to Jerusalem to offer sacrifices to God. The Jews that were exiled to Babylon had to recreate Judaism anew. It was believed that God was only present in the Temple in Jerusalem. Now they realized that God was everywhere. The idea of a synagogue, a place for Jews to gather outside of Jerusalem, became the new focal point of Jewish life in Babylon. It is there that they would gather to hear the Torah read.

After the destruction of the Second Temple the Rabbis became the Jewish leaders. They realized that we needed a new way to worship God, having lost the Temple - the House of God, twice. They created the prayers that we still use to this day. Judaism was renewed and thrived as the Rabbis substituted words of prayer for sacrifice - Same God, same teachings, same ethics and values, different modality.

Sadly, due to the pandemic, we cannot gather at our Jewish home, Temple Sholom in Monticello, for now. Thank God, we know that eventually when we feel safe from COVID-19, we will be able to return. This has not stopped us from meeting, praying together, and studying together. Just as the Jews exiled to Babylon, and the Jews exiled from Jerusalem, we too have found a new way to continue our Jewish experience, through Zoom –

**In loving memory of your beloved,
David Edward Kreiswirth.**

**Donors: Renee Gilleo, Eve Gilleo,
Cheryl Gilleo, Richard Gilleo, Daniel Gilleo**

In loving memory of your beloved, Jeffrey.

Certificate to: Mrs. Charlene Ingber & Family

Donor: Bonnie & Jeffrey Kirsch

Same God, same teachings, same ethics and values, different modality.

If you haven't yet joined us for worship or classes through Zoom, I encourage you to give it a try. It is a great way to connect with our temple family during the pandemic. You get to see all the different people that have joined the Zoom event and talk with them. If you are concerned about using the technology, I will be happy to talk with you and walk you through step by step how to use Zoom. Please send me an e-mail and we will find a time we can do this together. You can also connect with us by phone alone. You wouldn't be able to see everyone, but you could still hear what we do and talk with everyone. The Zoom link that goes out on temple emails includes a way to dial in by phone.

I would imagine the Jews were not comfortable at first, when they first entered a Babylonia synagogue, after having spent their lives offering sacrifices to God at the Temple in Jerusalem. But they adjusted and found it meaningful and fulfilling for them. If you are fearful of technology, I encourage you to move a little past your comfort zone, with my help, to discover a new and creative way to worship God with our community, that is also meaningful and fulfilling.

Rabbi Michele Brand Medwin, D.Min.

AUGUST 5 at 10 am — Zoom Book Discussion

White Fragility: Why it is So Hard for White People to Talk About Racism

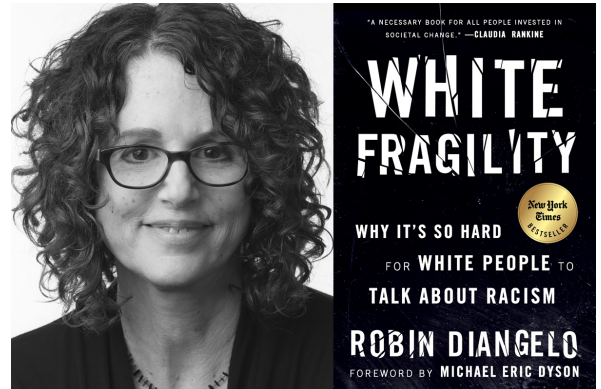

by Robin DiAngelo

Based on the events of the last month, it is important for us as Jews, and as a congregation, to educate ourselves about the struggles of the African-American Community.

The Passover seder reminds us that we should be kind and welcoming to "the stranger since we were strangers in the land Egypt" and know how that feels. Judaism also teaches us, "Justice, Justice, shall you pursue." As Jews we are responsible to see that justice is carried out in our nation.

This New York Times best-selling book explores the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality.

A link to the Zoom class will be sent out from the temple email list the day before the discussion. If you are not receiving emails from the temple, please send an email to Rabbi Medwin and tell her that you want to receive the link.

(Available from Amazon in paperback, Kindle, and Audiobooks.)

REMEMBER TEMPLE SHOLOM IN YOUR WILL

Bequests of all sizes are an important source of financial support for Temple Sholom, providing funds for temple programs, subsidizing membership, religious school scholarships, major maintenance of the building, and much more.

There are many ways you can make such a contribution to the temple in your will. You can specify a specific amount, a percentage of your estate, a special fund, or the general fund. Together, you and your advisors should decide what best suits your individual circumstances.

Thank you from our members, students, and the community who will benefit from your thoughtfulness in the future. We recommend you always consult your legal and/or financial advisor when providing for such a gift.

Even though we cannot get together at the synagogue, we do gather together every Shabbat on Zoom. Getting together brings us great joy!

Because of the pandemic funds will be tighter. You can do a mitzvah by being a **Virtual Oneg Shabbat Sponsor**. Pick a Shabbat you would like to "**Virtually**" Sponsor.

Here is how to be a sponsor: Send an e-mail to Rabbi Medwin (rabbimedwin@me.com) telling her which Shabbat you will sponsor. Tell her the reason: birthday, anniversary, in memory of, in honor of, to celebrate Shabbat, to support the temple, etc. (Birthday or anniversary is not on that Shabbat? You can celebrate it early!!) Send the Rabbi a picture of the person or event that you are honoring — she will share it with the congregation during the service.

Send a donation check to: Temple Sholom, PO Box 664, Monticello, NY 12701

Write "*Virtual Oneg Shabbat*" in the memo line.

The email sent to temple members the week of your oneg will recognize you as the sponsor and you will be acknowledged during the service.

Is your friend sponsoring an oneg? You can make a donation to the temple in his or her honor.
