NEW COVID PROTOCOLS:

Based on recent CDC Guidelines we are modifying our COVID protocols for in person gatherings at Temple Sholom. Sullivan County is now a low-risk area. This is subject to change as CDC Guidelines change. Always check your email, Facebook, or the temple website for changes.

- Proof of being fully vaccinated is required. (If you have already sent in or shown your vaccine card you do not need to bring it.)
- Masks are OPTIONAL (Do what makes you feel comfortable.)
- Social distancing is suggested.

ASSUMING WEATHER IS GOOD* AND SULLIVAN COUNTY REMAINS IN A LOW-RISK CATEGORY, ALL SUBSEQUENT SERVICES WILL BE HYBRID – In person AND Zoom.

*If there is a winter weather advisory or winter weather warning, services will be ZOOM ONLY for that Shabbat.
