Apples and Honey

My son-in-law, Brett, has an apple orchard. As orchards go, it isn't a big orchard. He decided to make it a u-pick orchard and to have only dwarf trees, so he wouldn't have to worry about people climbing or falling from them.

How did he do that? He bought an assortment of varieties of apple that had been grafted onto root stock for dwarf trees. The result was a variety of apples growing on trees that only reached about six feet high. The trees had to be trellised so that they could support a lot of apples.

Brett made sure that the varieties he grew ripened at different times. Our Hassidic neighbors picked all the early varieties before returning to Brooklyn a month ago. They were relieved to know that the trees are old enough. (The Talmud forbids picking from trees less than three years old.) He had to close the orchard for a couple of weeks while he waited for the later varieties to ripen.

The orchard is busy this time of year. Families come to have fun picking apples. If you come, you'll find plenty to go with your honey for Rosh Hashanah. Wishing you all an abundantly sweet 5785!

L'shanah tovah!

President of the Board of Trustees

"Sabbath of Return" is the Shabbat between the holidays of Rosh HaShanah and Yom Kippur. A special haftarah is read and traditionally the rabbi gives a sermon related to repentance.

L'Shana Tova! We are both so thankful and honored that we were able to prepare for this New Year with you during our month of Elul. This New Year comes at a time of uncertainty but as we have said in service, it is a gift, a chance to enter into newness. It's a time to allow ourselves the opportunity to rewire our minds and hearts, to shift that which keeps us stuck and disconnected from our connection to all things. It's an opportunity to remind ourselves to treat everyone, including ourselves, with respect and kindness, as we would with a friend; as if we are living vessels containing the spirit of God, because ... we are.

With that understanding, we can allow ourselves to be guided by love and become healing agents of peace. Though we won't be under the same roof, we will, in spirit, be entering in together through the gates of 5785.

G'mar Chatimah Tova, May you be Inscribed in the Book or Life for a year of blessings, good health and peace. And may this year bring even more sweetness, more joy and more time, well-spent, together.

Love and Shalom, Ira and Julia

PRIMETIMERS - See you next year!

We ended our season with a program given by the Office Of The Aging about the programs available for seniors in Sullivan County. We disbursed our fundraising money to Temple Sholom, Federation of the Homeless, Hospice of Orange and Sullivan County, and Nesin Cultural Arts. We will also pay for an armed security guard for the Jewish Holidays. We were happy to buy Pat a new air conditioner for the office.

At the annual Primetimers Oneg Shabbat I thanked the board members for all of their help this season. I also thanked Elaine Graff, Sue Horowitz, and Ellen Nesin for all they do for the Primetimers even though they no longer live in Sullivan County.

We have two New York City bus trips with Leprechaun Lines planned for next year. One will be on Wednesday, June 25, and the other is Wednesday, August 13. On July 24, we will have a self drive trip to the Time and Valley Museum in Grahamsville. This museum connects water, people, and the Catskills. We will have an hour-and-a-half guided tour. Other details will follow. Our first meeting will be Monday, June 9, and we will have a presentation by Jeff Bank entitled "Money Smart For Seniors."

All other meetings will be the second Monday of the month.

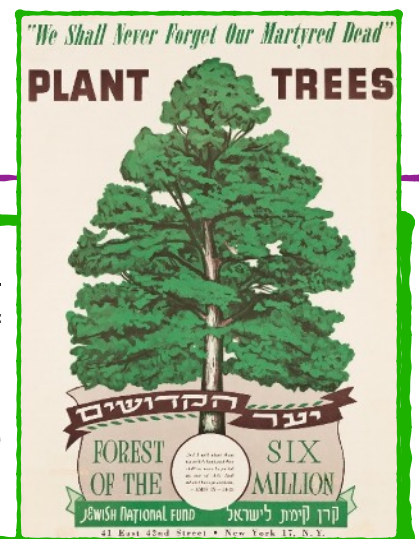

Next year will be the 40th Anniversary of the Primetimers. A committee is planning a luncheon and entertainment on Monday, September 8. Mark your calendars for all of our 2025 events. More information will be given at our first meeting.

Happy and Healthy New Year to those that observe and safe travels to those that return to Florida. To our Sullivan County members, we wish you a good winter with not too much snow.

Shalom,
Paula
